

Todd and Debbie

Luke: Todd and Debbie have a unique testimony about what God has done in their lives. Let's listen now.

Todd: You know, I realized that the most important relationship we have in our life is marriage. For most of us guys, we're winging it, trying to figure it out without help or coaching. We've never really seen what a marriage should be like. And I think in our marriage, it was kind of the same way.

Debbie: Yeah, it just helped as we walked through our marriage to have someone to call when we got stuck, someone to help walk us through or just to talk to. There was someone there to help us navigate stuck places.

Todd: UNIFY Marriage was huge for us, a game-changer. We finally had someone who could see outside of us looking at us, showing us our blind spots. I had a lot of blind spots in our marriage and needed tips and pointers to improve.

Debbie: They helped me identify things in my heart, teaching me to verbalize what was going on. I could feel things but didn't always know how to talk about them or process them. They encouraged and taught us to communicate about our hearts, which was really helpful.

Todd: I had a lot of issues in the way I saw marriage, with expectations and wanting Debbie to change. UNIFY helped me see my unmet expectations and resentment, especially from our early years, holding us back. It helped me focus on changing myself rather than trying to change her.

Debbie: One of the most helpful things UNIFY did for me was our 30-minute conversation, where I realized I enjoy hearing about your day and what God is showing you more than just talking about my day. It's become a special time of feeling connected to you.

Todd: The homework assignments, especially the 30-minute time together, helped us unify our marriage. It was a game-changer, helping us connect in a way we didn't think

we needed to but really did.

Debbie: Right. It's gone from something we had to do to something we enjoy doing. It's a fun part of our night.

Todd: This weekend, we're celebrating 30 years of marriage. If we didn't have UNIFY Marriage, if we didn't have Luke and Kathy coaching us, I don't think these last 30 years would have been as good, and I don't think we'd be ready for the next 30 years. I would encourage any guy or couple out there that needs coaching or help to contact UNIFY Marriage. It will be a game-changer, as it has been for us. We're so thankful for the time we had with Luke and Kathy.

Debbie: Yeah.
